Professional Summary

- Multi-Talented Sales & Business Relations Specialist with over a decade of sales and customer service experience within a highly technical environment and five years of team leadership and training experience.
- Skilled collaborator and leader who leverages well-developed communication, interpersonal and active listening skills to effectively engage and consult with a wide range of personnel, key partners, and other industry specialists.

Professional Experience

Senior Manager

June 2018 - Present

- Lead a team of five employees; train all new employees of varying experience levels across all roles
- Principal buyer in charge of identifying and selecting exceptional product and services and negotiating contracts with suppliers while maintaining a quarterly budget.
- Inventory management: maintaining minimum product thresholds across all inventories, forecasting and demand planning, perform critical inventory tasks to ensure the correct amounts of items are in stock
- Maintain key partnerships with wholesale labs, manufacturers, and designers; evaluate suppliers to achieve cost-effective deals and maintain trust relationships
- Technical management of CRM and EHR projects and maintenance; troubleshooting, local support, implementation of new features, etc.

General Manager

October 2015 – June 2018

- Develop and implement improvements to existing operational procedures to maximize efficiency and cut operations costs; create, maintain, and modify existing standard operating processes
- Leverage strong root cause analysis, troubleshooting, and creative problem-solving competencies to implement and optimize business processes and technology to save time, money, and resources
- Successfully maintained exceptional customer relations and professional partnerships with supplier accounts by regularly evaluating competitive costs and production pipelines

Senior Sales Associate

October 2014 – October 2015

Eyecare Center of Boulder

- Provide customer support, including primary contact for all questions, concerns, and order information while working with highly sensitive customer data
- Expertly process orders, confirm pricing, and resolve discrepancies as they arise to reduce inefficiencies, correct errors, and deliver product as quickly and accurately as possible
- Utilize optical prescription to educate and recommend specialized lens options, assist in the selection of frames, and coordinate frames with optical measurements

Junior Sales Associate

September 2011 – October 2014

Colorado Eye Gallery

- Consistently deliver sales plan and company objectives through cultivating existing customer relationships and building new ones
- Utilize optical prescription to educate and recommend specialized lens options, assist in the selection of frames, and coordinate frames with optical measurements
